

## Smart Solar Energy

# CERTIFIED TECHNICIAN & EMPLOYEE CODE OF ETHICS

1. I will strive to produce nothing but first-class workmanship.
2. I will be kind, polite and courteous to all, and offer my immediate assistance to all inquiries and needs of others.
3. I will take advantage of every opportunity to increase my knowledge and skill set concerning the work I am doing.
4. I will use only the very best materials that are proven to be safe and that meet or exceed Smart Solar Energy's and the manufacturer's specifications.
5. I will recommend to any and all clients only work to which I believe is necessary to do the job required.
6. I will treat each job as if it were being installed in my own home.
7. I will practice Service Integrity, which means that, to the best of my ability, I will always work in the best interest of the client, my employer, and myself.
